PREVIOUSLY

But when things seemed to finally calm down for everyone present, Susen made her appearance along with a shocking remark –?

Chapter 6

Ashihara no Nakatsukuni - 葦原中国 "the middle country of reed beds"

In Japanese mythology, Ashihara no Nakatsukuni refers to the world between Takama-ga-hara (Heaven) and Yomi (Hell). It then became another word for the country of Japan, perhaps because the land was damp and covered with reeds in ancient times (from Wikipedia).

Sazae-oni - サザエ鬼 "shellfish ogre"

Sazae-oni are a type of obake that forms when turban snails reach 30 years of age (from Wikipedia).

Ookuninushi Family Tree

3. Nunakawahime - 沼河比売

4. Takiribime - 多紀理比売
